

PRACTITIONER BIOGRAPHY

Dr. Pradnya Apte BDS (GDC No. 69295)

I qualified from Liverpool University in 1993 and joined the practice in 2002.

Since qualifying I have had a keen interest in cosmetic smile enhancement using the latest dental techniques.

I have attended numerous courses on cosmetic dentistry and nothing is more professionally satisfying than improving a patient's smile.

I employ all the latest techniques that are available to ensure my patients receive the best treatment possible.

I welcome all new private patients.
